

Hawk Harrier AirCraft Vacuum V001AIR

The top fill design on this lightweight, compact backpack vac is designed to prevent clogging so you can optimize cleaning time. Larger than most, the 6.5 quart capacity extends use time and the ergonomic construction of this 10.5 pound vacuum makes it ideal for cleaning in small areas.

Features

- Comfortably quiet – 72 dB(A) – for use in all types of environments
- Lightweight – only 10.5 lbs – reduces fatigue
- Comfortable harness with padded shoulder straps and quick lock adjustable fasteners
- Exceptional filtration captures fine particles and helps improve air quality.
- Eight rubber feet for maximum air exhaust
- Short pigtail cord for easy storage
- Disposable filter paper bag or cloth bag
- Polyethylene housing with lifetime warranty is tough and durable
- Complete tool kit includes flex hose, telescopic wand, curved wand, round dusting brush, two-way flat floor tool (hard and soft floor), and crevice tool
